

FULL CIRCLE FARM
THERAPEUTIC HORSEMANSHIP

Spring Newsletter

Greetings!

I hope this newsletter finds you and your families and friends safe and healthy.

The barn is very quiet these days and I'm sure the horses are wondering where everyone is. This is a strange time for all of us but we are hopeful we will see all of you again in May.

I hope you follow our [YouTube Channel](#) and [Facebook](#) daily posts with videos and activities. We have had fun making them. It's our way of staying connected and bringing the horses to you! During this time with no classes we are exercising the horses, applying for grants and keeping programming in place for when you return.

Before we closed in March we hosted a Veterans Family Day. Despite some snow we had quite a few children and their parents participate in grooming, leading and riding the horses.

We will not be taking any break weeks until August 3, 2020. We will close that week to prepare for the Region One Conference that we are hosting. This conference is for Equine Assisted Activities for people in New England and Quebec. We are so excited to be hosting this year!

As soon as it looks like things are opening up and going back to "normal" we will be in touch with all volunteers and participants about "getting back in the saddle"

We hope to see you all soon – Lorna

When we all come back to the farm let's all give them a big thank you!
