

FULL CIRCLE FARM
THERAPEUTIC HORSEMANSHIP

Summer 2021 Newsletter

Happy Summer!

Lessons are in full swing and moving into the summer schedule. KRHS will come to us as part of their summer program and new participants on the wait list are hoping for a spot to open up.

KRHS spirit team went well and was a lot of fun. The team did well at their shows and learned new things here at the barn each week. We look forward to doing it again next year. In the mean-time KRHS will continue with a vocational and riding program throughout the year. We really enjoy our partnership with them.

Stevens High school rode with us this spring and with any luck in their fundraising goals will come back in the fall.

Road To Independence has been coming two times a month for some of our participants who do not ride. They groomed, lead and drove the donkeys in the carts. Our participants learn a new skill and still enjoy equines.

We are so happy to announce that Deb Cossingham, our executive director won a Hero's Award from Red River Charitable Foundation this spring ! The award was for \$5,000.00 f to go towards the program! Wow! She is our hero!

Have a wonderful, safe summer.

– Lorna

7th Annual Horse Show **August 7th ,2021**

The horse show is a fun day for our participants to show what they have been working on the past year. The show also acts as a fundraiser for our scholarship fund. If you would like to sponsor the show or a class please email for more information.

Thank you!

Horse Spotlight—Cody

Cody had an eventful spring. In April he had four front teeth pulled in Maine. He has recovered well and is back to work full time. He doesn't seem to have any trouble eating! He's been a champ, being there for unmounted classes as well as our smaller riders.

"THERE IS
SOMETHING
ABOUT THE OUTSIDE
OF A HORSE THAT
IS GOOD FOR
THE INSIDE OF A MAN."
~ WINSTON CHURCHILL

Amazon Smile

One way to Support FCFTH without it costing you anything is to choose us as your Charity on Amazon and always purchase through Amazon Smile. Many of our wish list items are on Amazon Smile – and a portion of the purchase goes towards our program!

Volunteer Spotlight

We are very lucky to have community volunteers who come once a week with their one on one and do jobs around the barn and trails. This really helps us as they are all jobs the staff would have to do ourselves. They clear trail, clean stalls, brushes, tack, touch points, helmets and even walk beside riders in Amanda's case. We value their time and help immensely.

Rider Spotlight

Emma has been riding with us for two years and has come so far in that time. She started with a leader and sidewalker and now rides independently on a few different horses. She likes to challenge herself and learn new things. Grooming is a favorite activity before and after her lesson...it could be the whole lesson! She is very enthusiastic and cheerful while at the barn. She is a volunteer in training, for sure!

THANK YOU!!!!!!

The 2021 NH Gives event was a HUGE success!! We went beyond our goal of \$9,000 during this 24 hour of giving that's to all of you. We had \$975 in matched donations and met the Rankin Family Challenge to have 25 unique donation (we had 47!) and they donated \$1000 to the program. Big Thank you to the Rankin Family and all our donors. It was a community effort of asking others to participate and sharing your experiences with FCFTH. It was also a lot of fun to watch the leader boards and the live feed that day. The money raised will go towards horse care and the FCFTH scholarship program.

Thank you again for your continued support of Full Circle Farm Therapeutic Horsemanship!

FCFTH Team
