THERAPEUTIC HORSEMANSHIP

Summer 2023 Newsletter

Hello Everyone!

It has been a busy summer here at the barn! We just finished up the summer session with our two participants' horse shows. All the riders got to demonstrate to family and friends the skills they have been working on all year long. Riders, horses and volunteers all did an amazing job!

We had Nick's Other Band here at the farm for a fundraising concert at the end of July. There was good music and a packed barn even though the weather was not the best. All the money raised that night will be going toward our scholarship program!

Sincerely, Aileen Reney
Program Director

Volunteer Spotlight - Alex Lewis

Alex started volunteering about a year ago. He has a regular spot on Saturdays, but is also willing to sub whenever he can. In addition to volunteering in lessons, he also made the program an awesome steer out of wood for riders to use during their lessons. We have named him Lewis after his creator and many riders have enjoyed learning how to rope him!

Meet Waylon!

He is a 20 year old red roan quarter horse gelding who came to us from a farm in VT. He is level headed, willing, very friendly, and loves belly scratches.

Participant Spotlight - Hana Bundy

Hana has been riding at FCFTH for four years. Her riding ability and confidence in her skills have improved greatly over that time. She is a skilled walk/trot rider and is working on cantering. Last year she participated in our very first drill team! When she has the choice of who to ride, she will always choose Duncan!
