Greetings,

The members of the Board of Directors of Full Circle Farm Therapeutic Horsemanship (FCFTH) are excited to announce our ***Kentucky Derby Gala*** to benefit the many individuals our non-profit organization serves. This event will be held on Saturday, May 3, 2025, at 4:30pm at Full Circle Farm in Newport, NH. It promises to be an evening loaded with live entertainment, dinner, desserts, cocktails, prizes, and including a broadcast of the Kentucky Derby race! New for this year, we will have a KenDucky Derby race of rubber ducks with additional prizes.

To help make this a successful event, we are seeking sponsors from our broad community. Accompanying this letter is a summary of sponsorship levels and benefits associated with each level. Please consider a sponsorship at whatever level with which you may be comfortable. The proceeds raised by this event will help to fund a multitude of programs including rider-ships for those in need of financial assistance for lessons, horse care for our equine partners, and capacity building to help us service more participants.

Therapeutic horsemanship programs across the nation, including our program, have proven to be very beneficial for people of all ages with diverse abilities and challenges whether they are physical, psychological, developmental, and/or psychosocial. Improvements have been noted with participants' physical, emotional and social well-being following inclusion in therapeutic riding programs.

Thank you very much for considering our sponsorship request. Please notify us of your commitment by April 12, 2025.

We hope to hear back from you soon regarding how you may be able to help support this event as well as our programs, which are so important to so many.

Sincerely,

Tamsen Snyder
President, FCFTH Board of Directors
